Bosse Sports is a private, family-oriented, luxury sports and fitness club in Sudbury, Massachusetts. The 64,000sf Clubhouse contains four of the eight tennis courts (the remaining four are outdoors), a 4,750sf Athletic/Fitness and Agility Center with a 2-story climbing wall, a 25-meter swimming pool, and men's and women's locker rooms -- partially in a pre-engineered metal building. A full-service spa rounds out the offerings.

In addition to the main facility, a 30,000sf "bubble" covers the 10,000sf indoor golf practice facility.

Erland was the Design/Build contractor for this project.
