

## Electrochem Solutions Inc. Blast Room / Raynham, Massachusetts

**Owner:**  
Great Batch Ltd

**Architect:**  
ahp Architects

**Area:**  
400sf

**Duration:**  
3 Months

**Type:**  
Renovation

Erland returned to Electrochem's headquarters in Raynham, after an explosion in one of their testing labs, to immediately investigate the safety of the structure. Partnering with ahp Architects on this design/build effort, a new structurally retrofitted material testing room was constructed. The 12-inch thick walls are structurally reinforced vertically and horizontally to withstand an explosive force.
