

# Northwest Park Building 30 / Burlington, Massachusetts

**Owner:**  
Nordblom Company

**Architect:**  
Maugel Architects

**Area:**  
12,000sf

**Duration:**  
5 Months

**Type:**  
Renovation

Nordblom teamed with Erland to refresh Building 30 in Northwest Park. Updates consisted of replacing the existing roof and windows as well as the HVAC and sprinkle systems. The building's facade was also painted and upgraded with an aluminum awning over the entrance to create better curb appeal. Additionally, Erland installed new storefronts to segment the office space for future occupants.
