

Young Israel of Brookline / Brookline, Massachusetts

Owner:
Young Israel of Brookline

Architect:
Graham Gund Architects, Inc.

Area:
21,000sf

Duration:
12 Months

Type:
New Construction

After losing their building to a devastating fire, the Young Israel congregation formed a committee to rebuild. Joining with Graham Gund Architects and Erland, the team finalized a construction scope and program compatible with the project requirements.

Rebuilt on its original urban site, with many materials imported from Israel, the building accommodates sanctuaries, a social hall, classrooms, a kitchen, and offices. Detailed custom millwork is a highlight of this project.
